

## Innovative Financial Solutions, a Complete Peace of Mind at HFC!

FOR RELEASE: 25<sup>th</sup> September, 2010

Home Finance Company Limited [HFC] recently upgraded its Lautoka office and its refurbished and modern Labasa office to the main street, opposite Rups Big Bear. “Outreach, representation and service delivery with *Innovative Financial Solution* is one of the pillars of our Strategic Intent, said Isikeli Tikoduadua, Chief Executive Officer. HFC offers a very competitive Home Loan - *Dream Package*, where dreams can turn into realities. HFC also offers very competitive interest rate, low equity, flexible term, and Mortgage Protection Insurance (MPI).

“There is a misconception in the market that HFC only provide home loans, which is not true. We also provide Business and Commercial Loans with terms of up to 15 years and Asset Finance for purchase of vehicles, plants and machineries”, added Mr. Tikoduadua. Under the business loan, HFC has other attractive packages such as *EXIM Package*, which is geared for the export and import substitute market with interest rate as low as 6%.

“HFC is also focusing on the Northern Division where there is a lot of potential for growth ”, commented Mr. Tikoduadua. “We have Mr. Najab Khan, a very experienced banker to look after all our business and corporate portfolios in the Northern Division including Savusavu.

HFC offers very attractive interest rates on its Term Deposit and even *Special Rate for the Day*. “We have one of the best investment packages in Fiji with attractive features and benefits”, advised Mr Tikoduadua. Other products and services we offer include Health and Medical Insurance, Home and Content Insurance, Funeral Policy and Mortgage Protection Insurance at very attractive premium. HFC is also the insurance agent for Tower Insurance and Fiji Care Insurance Limited.

The Funeral Policy covers the immediate cost associated with funeral expenses. Passing away of a loved one creates unplanned financial constrain and this is where the Funeral Policy comes in handy. Ms Sherese Peckham is the Manager Insurance Services. Sherese said “We consider this as a part of our corporate responsibility which gives a complete piece of mind and perhaps it is one of the first micro- insurance schemes in the Pacific with premium of \$2 per week and payout of up to \$15000”. This weekend our team will be in Labasa in support of the RBF Microfinance initiative and she has called people of Labasa to visit the HFC booth.

“The Board, Management and Staff of HFC are committed to offer the best *Innovative Financial Solution* to the people of Fiji”, said Mr. Tikoduadua.
