The HFC Bank Contract Works Insurance cover is underwritten by Tower Insurance (Fiji) Limited and it covers sudden and unforeseen accidental physical loss or damage to the contract works, at the site and construction plant & machinery (if selected) arising from any cause unless the loss or damage is excluded from the policy.

This cover should be taken by all HFC Bank customers who have applied for additional loan for renovations, extension and or building under course of construction. However, the customer has the option to select an insurer of their preference.

### **Period of Insurance**

This cover is only valid for the duration of construction. It commences on the date shown on the certificate of insurance or at such later date when work commences and automatically ceases effect upon completion of construction or upon expiry date shown on the certificate of insurance.
