

HFC Bank Renovates Paying Rooms at CWM Hospital.

HFC Bank is proud to announce the successful renovation of Paying Rooms 1, 2, and 3 at the Colonial War Memorial (CWM) Hospital. The newly renovated rooms, which provide upgraded facilities for patients who opt to pay for their admission, have been officially handed over to the CWM Hospital Administration team.

The renovation project was initiated through the CWM Hospital Board of Visitors and underscores HFC Bank's commitment to supporting community health initiatives. The enhanced rooms aim to provide a more comfortable and pleasant environment for patients, reflecting the Bank's dedication to social responsibility and community welfare.

During the handover ceremony, HFC Bank's General Manager of Retail Banking, Tony Ram, expressed his gratitude to the CWM Hospital team for their dedication and hard work.

"We are delighted to support CWM Hospital in improving their facilities. The passion and com-

mitment of the hospital staff inspire us, and we are honoured to contribute to their efforts in providing excellent healthcare services," said Mr. Ram.

Dr. Esther Williams, Chairperson of the CWM Hospital Board of Visitors, also expressed her appreciation for the support from HFC Bank.

"We are incredibly grateful to HFC Bank for their generous

contribution towards the renovation of our paying rooms. This initiative significantly enhances the comfort and care we can provide to our patients. Such partnerships are vital for the continuous improvement of our healthcare services," said Dr. Williams.

HFC Bank remains committed to investing in community projects that promote health and well-being. This renova-

tion project is one of the many initiatives the Bank supports to make a positive impact on society.
